Welcome to the Judicial Family Network!

New beginnings can be exciting and sometimes more than a little challenging as the usual safety nets of habits, friends and family shift just a bit once your spouse or partner has been elected to the bench. After 44 years of marriage, 25 of them in the public eye, and 10 elections, most of which were contested, my wife Judy and I have had our share of challenges. The Advisory Committee on the Judicial Family Network exists to identify the needs and concerns of judicial families in Ohio and to offer a supportive network and educational opportunities to the spouses, partners, and children of judges. We provide education programs and serve as resource contacts for those entering judicial family life.

We hope you will take advantage of the Judicial Family Network and find this resource notebook helpful. You may contact Sara Stiffler at the Supreme Court or visit the following websites for more information.
